john.w.hume.uscgaux@gmail.com

Space is limited for each of the Div Train Courses and courses will be filled on a first come first served basis. Some courses have a minimum student requirement and will only be held if enough students register for the class, however every attempt will be made to accommodate members.

First Aid & CPR – The First Aid & CPR Course require all four Sessions at Div Train. If you choose to take the course please check off the First Aid & CPR Course in each session. There is a \$ 10 Course participation fee to cover the course materials and First Aid & CPR Card Registration Fee. The fee is payable on the day of the course.

Telecommunications Operator – The Telecommunications Operator Course is a two session course and is intended to provide instruction and assistance for the student who is working toward the TCO Qualification including some Sign-Offs. The Student should have a started course work for the TCO Qualification.

Paddlecraft Safety - The Paddlecraft Safety Course is a two session course and is intended to provide basic familiarization with Paddlecraft, as well as the equipment and practices necessary for foundation of safe paddlecraft use.

Sector Employment Plan – The Sector Employment Plan discussion is an open forum presentation of the Sector Northern New England Sector Employment Plan intended to introduce Auxiliaries to volunteer need and how we may offer our talents to the Gold Side.

Uniforms, Protocol, and Courtesies – This course is intended for the new member as well as the seasoned Auxiliary to help us all better understand and utilize the uniforms and custom of the Coast Guard Auxiliary.

Introduction and Guidance to Popular Qualifications -

VE Workshop – The Vessel Examiners Workshop is a discussion and review of the Basics of Vessel Examinations for the aspiring VE as well as the seasoned expert Vessel Examiner.

1HR TCT – The 1 Hour Team Coordinated Training is the annual 1 Hour Refresher for Auxiliaries who require TCT for one of more of their qualifications.

Basic Forms and Paperwork – At one time or another every Auxiliary has faced the, which form do I fill out and who do I send it to? Question. This session is designed to help provide the member with a basic understanding of forms and reporting.

Coastie Training – Coastie is one of our most powerful Public Affairs tools. This session will teach members how to operate and support Coastie at events and will prepare Auxiliaries for the Coastie qualification.
