BAD WEATHER SCHOOL CLOSING: THE COLLEGE DOES NOT MAKE ANY DECISION ON CANCELING OF EVENING CLASSES UNTIL 3 PM.

Anything that you might hear before that time should not be taken as cast in stone. Sometimes the radio stations take an announcement of school closing to include all classes including night courses as being closed. That is not the case with SMCC. Again, they do not make that decision until after 3 pm in the afternoon.

FOR COLLEGE CLOSING BECAUSE OF WEATHER, CHECK THEIR WEBSITE AT <http://www.smccme.edu> or the SMCC Storm Phone Line at 741-5900 OR LISTEN TO LOCAL RADIO STATION, ESPECIALLY WPOR

"In the event of a cancellation of one or more public education classes, due to circumstances beyond the control of the Casco Bay Flotilla, a good faith effort will be made to make up those classes missed or cancelled. If necessary, at our discretion, we may be forced to cancel the course completely. However, in no event will there be any refunds of all or part of the tuition."
