Instructed by the  
U.S. Coast Guard Auxiliary, Casco Bay Flotilla 21

Please select a class.

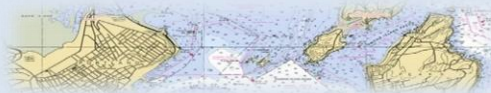

**Weekend Navigator**

NAVI 815-01  
Tuesdays • 7-9 pm  
September 17 – November 5, 2019  
\$120

Weekend Navigator will focus on navigation in the digital age, along with the timeless techniques of classical navigation so that you never have to rely solely on electronics.

You will learn how to use such tools as a GPS receiver and chart plotter as well as read nautical charts, plot courses, take bearings and the other techniques upon which all navigation is based. The course materials including textbook and training charts are included in the course fee.

Prerequisite: NASBLA approved safe boating course. Relevant experience can satisfy this requirement with prior approval of the course coordinator.

**Boating Skills and Seamanship 1 & 2**

NAVI 802-01  
Wednesdays • 7-9 pm  
September 4 – December 11, 2019  
\$80

The U.S. Coast Guard Auxiliary's *Boating Skills and Seamanship* (BS&S) is a comprehensive course designed for both the experienced and the novice boater. Boaters will learn safe boating practices, principles, and legal responsibilities.

**Topics include:**

- Which boat is for you?  
Equipment • Trailing • Handling  
Your "Highway" Signs • Rules of the Nautical Road  
Inland Boating • Boating Safety • Intro to Navigation  
Powering your Boat • Lines and Knots  
Weather and Boating • Your Boat's Radio

Students receive a National Association of State Boating Law Administrators (NASBLA) certificate of completion of the course.

Many insurance companies offer discounts on boat insurance to individuals who successfully complete this course. Individuals who successfully complete the course and exam are awarded certificates and cards.
